- 1.45pm Update on advance wound care : focus on dressings for debridement and very exudative wounds, Dr S. Meaume (Paris, France)
- 2.00pm Update on pressure relieving system, Dr R. Dondelinger (Dudelange, Luxembourg)
- 2.15pm Magot-therapy as biotechnology for debridement, Dr S. Eder (Villingen-Schwenningen, Germany)
- 2.30 pm Negative pressure therapy with instillation, Dr D. Brinkert (Strasbourg, France)
- 2.45pm Dermal Substitute, Dr L. Téot (Montpellier, France)
- 3.00pm Surgical reconstructive technics : what is new, Pr. R. E. Horch (Erlangen, Germany)
- 3.15pm Coffee break
- 3.45pm An update on methodology for research in wound healing, Dr D. Steiner, Pr. R. E. Horch (Erlangen, Germany)
- 4.00pm Update on wound closure, Pr. A. Wilk (Strasbourg, France)
- 4.15pm New technology for skin grafting, Pr. F. Duteille (Nantes, France)
- 4.30pm Conclusion
- 4.45 pm Questions and answers
- 5.15 pm Description of practical sessions for participants to workshops
- 5.30 pm Transportation to the EAWT hotel and dinner

Tuesday, March 31
IRCAD, Strasbourg

8.00am Parallel workshops on operative and non invasive technologies (2 groups)

Operative :

Debridement, Pr. F. Duteille
Biopsy, WoundWand, Dr L. Téot
NPWT, Pr. R. E. Horch
Dermal Substitutes, Dr U. Giovannini
Skin Grafts, Pr. R. Horch
Viticell, Recell, Dr L. Téot
Flaps, Pr. F. Duteille, Pr. A. Wilk
Cellutome, Pr. R. E. Horch

Non-Invasive :

1. Vascular assessment, Dr. R. Dondelinger, Dr F. Mantz
2. Dressings, Dr I. Fromantin, Dr S. Meaume, Molnlycke
3. Compression (short stretch, stocking), Hartmann
4. Compression multilayer bandaging, 3M, L&R, Urgo
5. Off-loading indidiabetic foot ulcers, Dr S. Erhler
6. Pressure relieving supports, Arjo, Medidev

12.00 am Lunch break

1.00 pm Parallel workshops on operative and non-invasive technologies (2 groups)

Operative
Non-Invasive

5.00 pm Debriefing

5.30 pm End of meeting

IRCAD

Scientific Committee:

F. Bassetto, R. Dondelinger, F. Duteille, S. Erhler, I. Fromantin, R. E. Horch, M. Masanovic, S. Meaume, L. Téot, R. Van Den Bulck, A. Wilk
